Wedding questionnaire

Hi _____,

I'm looking forward to performing at your reception on _____.

1. What's the name and address of the venue?

2. What time will guests be entering room/seated?

4. What time will Bride and Groom be entering room/seated?

5. What is the dress standard for guests on this occasion?

6 If you have a particular favourite(s) for Bridal party entrance, bridal dance, etc that aren't on the song list, we can ask the band to included them on their iPods.

7. Let MAS know if you have any favourite's from my song list to play during the reception (or one's you definitely don't want for some reason).

8. Do you require a microphone for speeches or will the venue have an in house mic/PA?

9. Will you be having your Bridal Dance directly after the cake cutting?

If so let band know the approximate time on the night and try to have it at the end of one of band breaks so they can play a long dance bracket following.

10. Will you be doing a farewell circle at the end of the night? If so, what time? (Allow approx 20 mins)

11. Will you be doing a garter toss and/ or a bouquet toss? (Allow approx 10-15 mins)

12. What is the MC's name? Please ask him/her to come and talk to band before the bridal party arrives.

We like to show the MC how to use the microphone, how to signal us when he needs us to stop (at the end of a song - never in the middle), how to stop the iPod (just in case we band is on a break) and to keep them informed of Times for speeches, cake cutting, bridal dance, etc.

13. I recommend seating older guests further away from the band if possible (for their comfort).

14. What time will the Bride and Groom be leaving the reception venue?

We want to help you make this as special as possible and without any interruptions or “hitches” as they say .. so

If there are any further questions or matters you wish to discuss, please feel free to email me or call MAS ENTERTAINMENT
